December 25th & January 1st.**

**CHECK OUT OUR NEW WEBSITE!**

[www.linctel.net](http://www.linctel.net)

## **Lincoln Cable TV**

Lincoln Cable TV will no longer be broadcasting after 12/31/2019! We have a sitting area set up in our office to show you Over the Top (TV over the internet) options. Please feel free to stop in for a demonstration, we would be happy to assist you in choosing an alternate TV venue. All of us at Lincoln Cable TV would like to thank all our Cable TV customers for your support during our years of operation. We are grateful for your patronage!

The plow crews have finished plowing fiber to the homes in Lincoln and Canyon Creek. We are currently calling to schedule installs to Lincoln homes. If you are leaving for the winter, we will do your installation when you return.

Please contact Lincoln Telephone if you have damages from the fiber plow that need to be addressed. We will be doing yard repairs into the summer of 2020.

All of us at Lincoln Telephone appreciate your patience and understanding during this project.

### **PLEASE REMEMBER...**

When plowing snow this winter, keep an eye out for our Green Telephone Pedestals. If you would like us to mark them for you, please call 362-4216.

November's Round-Up figure of **\$195.93** went to the **Blackfoot Valley Historical Society**.

## **STAND ALONE INTERNET**

Linctel will be offering a standalone internet plan! Beginning January 2020, Linctel will have a \$79.90 promotional package for standalone internet!

\*This pricing will be good for one year.

We will be offering a 50 MBPS download/25MBPS upload with no phone service required. If you are interested in signing up for this plan, please call our office at 362-4216 and we will get you on the schedule
