PLEASE REMEMBER...

When plowing snow this winter, keep an eye out for our green telephone pedestals and orange fiber markers. If you would like us to mark them for you, please call 362-4216.

November's Round-Up amount of **\$187.34** went to the **Blackfoot Valley Historical Society.**

The Upper Blackfoot Valley Historical Society was incorporated in 1992 with the first directors being Robert Didriksen, Ellen Mulcare, Annabelle Glenn, Benjamin Mayger, Myron Hatch, Jerry Burns, and Mary Spurlin. The Historical Society has a 4-acre museum on a site behind the Hi-Country Trading Post. It is believed that the site lies directly on the route taken by Meriwether Lewis in his travel through the Lincoln Valley.

We are doing our part to stop the spread of COVID. Our office doors are closed. Please use the drive thru window. If your business can't be handled through the window you can call to set up an appointment. Masks will be required. Thank you for understanding!
