Computer Problems?

Call Tech Support
at **368-5505**.

They are available **24/7!**

This is considered a
local call.

**CALL 811
BEFORE
YOU DIG!**

Construction season is here!
Give yourself enough time.

Call Before you Dig.

We ask to have 2-4 days
notice, if possible.

Remember summer is our busy time.

Did you know....

**You can pay your bill and check
your internet usage online?? Go to
lincnet.net and click on the
smart hub link.**

Would you like your
payment
automatically
drafted from your bank
account on the 10th of
each month??

Call now and we can help
get you set up.

362-4216

Mandatory 10-Digit Dialing

Beginning October 24, 2021, you must dial 10-digits (area code + telephone number) for all local calls. On this date, local calls dialed with only seven-digits may not be completed, and a recording may inform you that your call cannot be completed as dialed. If you get this recording, you must hang up and dial again using the area code with the seven-digit telephone number.

Do I need a surge protector?

Households experience power surges or power fluxes on a daily basis whether it be caused from everyday household appliances kicking on/off or because of weather. Over time, these power surges can damage electronic devices.

ONTs and wireless routers are some of the first things to be affected.

Plugging your ONT or router into a surge protector will help protect them.

Having your electronics & appliances plugged into surge protectors could save you from having to replace them because of a little power surge.

If you are having problems connecting to the internet, unplug ONT and ROUTER from the power source for 20 seconds and wait up to 10 minutes for the system to reboot. If this doesn't fix the issue, make a note of the error message you are receiving, and which lights are on or blinking. This will be the information our tech support will need. You may reach them 24/7 at 368-5505, this is a free call.

August Upcoming Events

Aug 1st - 5th ~ Annual Clothes Giveaway

Aug 14th - 15th ~ Lincoln Arts Festival

Aug 21st ~ Heritage Day

Aug 21st - 22nd ~ Bob Purdy Memorial Softball Tourney

HS Sports Practices Begin Friday, August 13th

****ALL DATES ARE SUBJECT TO CHANGE****

July Round Up figure of
\$187.45 went to the
Lincoln Senior Center.

Due to customer interest in donating an additional dollar or more to the round-up program, we now offer the Round-Up Plus program. If you would like to add more than just the "change" we currently round up, let us know the amount and we will add it to your monthly bill.

Thank you to all who contribute!

BACK TO SCHOOL FUN FACTS

Before pencil erasers were invented, a common way to get rid of pencil markings was with a rolled up piece of white bread!

Teachers resisted erasers when they were first invented because they thought they'd encourage kids to make mistakes.

About 1 in every 12 children ages 6-11 will have to repeat a grade, while more than 1 in 10 kids ages 12-17 will repeat at least one grade.

School buses have been around since 1915 (as long as the automobile), but the official color of bright yellow wasn't adopted until 1939.

Why do we give our teacher an apple? The tradition goes back to 16th century Denmark, where teachers didn't earn enough for food so parents would send their children to school with an apple for them.

**School starts
August 23rd!**
