LincTel.net Email Accounts will be Disabled on Oct 31st!

Our goal is to keep internet pricing the best value for our customers. In the process of significantly increasing our speeds while keeping the same low price, we decided to reconsider our email offering. In the last year, the email domain lincstel.net has significantly increased in cost and has proven highly unreliable with our third-party host. We feel it is in our customers best interest to migrate from lincstel.net to a different email provider.

October 31st we will be disabling your lincstel.net account. We are offering our services to help you set up a new email account at our office and can forward your current lincstel.net email to your new account. This will allow you time to update all your contacts. **Jan 1st, 2023**, lincstel.net email accounts will be **permanently deleted**. As we strive to give you outstanding service at the best price, this change is essential. We are sorry for any inconvenience this may cause.

Remember to update any E-bill and online payment accounts, Netflix, Hulu, and other TV subscriptions, Dr and Dentist appointment notifications, and notify your contact list with your new email information. Please save any important emails and contact information you may need. It is important not to wait to set up your new email, we will not be able to access any lincstel.net email account information after **December 31st!

Please reach out to us with any questions at 406-362-4216 or ltsupport@lincstel.net.
