Father's Day June 16th

STORM WATCH FOR FIBER CUSTOMERS

During a power outage, the battery backup will provide the power needed to allow a customer's phone to continue to work for 8-24 hours, depending on battery purchased and call volume/length.

REMINDER: A CORDLESS PHONE WILL NOT WORK IN THE EVENT OF A POWER OUTAGE!

Once power is restored to the home, the battery will then automatically recharge. If the battery dies before the power is restored or you choose to opt out of a battery backup, you will be unable to make or receive calls until the power is restored. You can purchase an additional battery backup and your internet will stay active in the event of a power outage.

May's Round Up figure of
\$173.28 went to
The Community Hall.

Thank you to all who contribute!

The unique octagonal structure, first dedicated in February 1918, was built by the citizens of Lincoln to provide a centralized home for the social and spiritual well-being to a remote mountain community. That vision has continued today.

(Sue Howsmon, 2018 as cited in the BVD)

VISA

Stay Connected

The ACP program has ended but the Lifeline program is still in place.

The Lifeline

Program is a U.S. government program that helps many low-income households pay for broadband service. If you qualify for Lifeline, you will receive a monthly discount on your bill. To find out if you qualify and to sign up, go to

LifelineSupport.org

Once you qualify, call us with your Application ID and we will get the discount applied to your bill.
