

Serving you for over 100 years

LINCOLN LOGIN

March 2025

February Round Up amount of \$148.98

went to the

Lincoln Food Bank.

Thank you to all who participate.

The Lincoln Food Bank was started many years ago by Pastor Jack Preston and Diane Ironi with the Methodist Church. The Methodist Church has now teamed up with The Power House to help the Lincoln Community.

REMEMBER:

New Construction: Bring your plans to the telephone company now and we will engineer your network for you FREE of charge!

CALL 811 BEFORE YOU DIG!!

POWER OUTAGE FOR FIBER CUSTOMERS

During a power outage, the battery backup will provide the power needed to allow a customer's corded phone to continue to work for up to 8-24 hours, depending on the battery purchased and call volume/length. **REMINDER: A CORDLESS PHONE WILL NOT WORK IN THE EVENT OF A POWER OUTAGE!** Once power is restored to the home, the battery will then automatically recharge. If the battery dies before the power is restored or you choose to opt out of a battery backup, you will be unable to make or receive calls until the power is restored. You can purchase an additional battery backup and your internet will stay active in the event of a power outage.

SATURDAY
MARCH 22
LINCOLN COMMUNITY HALL

**LINCOLN VOLUNTEER FIRE RESCUE
Fireman's Ball**

Spring Begins
March 20th

- 1) Of which country is Saint Patrick the patron saint?
- 2) What American city has dyed its river green every St. Patrick's Day since 1962?
- 3) How many pounds of green vegetable dye are used to dye that river?
- 4) What is another name for Ireland?
- 5) Irish soda bread uses what ingredient for leavening instead of yeast?
- 6) What is the national flower/emblem of Ireland?
- 7) Why is St. Patrick's Day celebrated on March 17th?
- 8) About how many Americans claim to have some Irish ancestry?

March Trivia

Daylight Saving Time begins
Sunday, March 9th.
Don't forget to set your clocks
ahead one hour.

Important Information Regarding Montana Relay

Did you know that many Montanans who are deaf, hard of hearing, or have speech disabilities can now enjoy the convenience of communicating with family, friends or business contacts by telephone? They can, thanks to the Montana Relay.

Here's how Montana Relay works:

A person who is deaf, hard of hearing, or may have a speech loss, types his/her conversation using a text telephone (TDD/TTY). A specially trained Communications Assistance (CA) relays the message by reading the text message to the hearing person at the other end. The CA then relays the hearing person's spoken words by typing them back to the TDD/TTY user.

Hearing callers who wish to reach people who are deaf, hard of hearing or speech disabled may simply dial 7-1-1 or dial 1-866-253-4090. Text telephone users may also dial 7-1-1 or 1-800-253-4091. There is no charge for dialing 7-1-1, and all options available to Montana Relay users through existing 800 numbers are available to 7-1-1 users. If you are experiencing trouble dial 7-1-1 to reach the Montana Relay, please call the local telephone company or Montana Relay Customer Service.

Relay service is also available over the Internet. People who are deaf, hard of hearing or speech disabled can simply go to www.hamiltonrelay.com to connect to a CA. Customers may use the same website (www.hamiltonrelay.com) or HamiltonVRS.tv from a videophone to access video relay service, where a certified American Sign Language (ALS) interpreter will relay your signed conversation to the hearing party.

Relay services are also available for people with Speech Disabilities, Speech-to-Speech service lets people with speech disabilities communicate on the telephone by using their own voice, or voice-assisted device, through the help of a specially trained CA by dialing either 7-1-1 or 1-866-225-1866.

Spanish Relay Service is available to Spanish speaking residents of Montana. To place a Spanish relay call, dial 1-800-435-8590.

CapTel™ is ideal for people with some degree of hearing loss. CapTel works like any other telephone with one important addition: it displays every word the caller says throughout the entire conversation. CapTel users can listen to the caller and read the captions on the display window. For information on CapTel, call 1-800-833-8503 V/TTY or email: relay@mt.gov.

All services are available 24 hours a day, seven days a week and enable people to place relay calls between Montana and other locations anywhere in the United States and internationally to English and Spanish speaking persons. By law, each conversation is handled with the strictest confidentiality. There is no charge to access Montana Relay.

To learn more about Montana Relay, visit the website at www.hamiltonrelay.com/states/mt.htm.
