**Round-Up—Are you signed up?**

In March 1988, Lincoln Telephone implemented the Round-Up Program. For those of you not familiar with this program, it is a voluntary charge which rounds up your telephone bill to the nearest whole dollar. This amount is then "pooled" together each month to benefit a charity or organization in the Lincoln/Canyon Creek Communities. Some of the organizations that have benefited from the round up program are Lincoln Fire Dept., Lincoln Ambulance, Lincoln School, Senior Center, Santa's Workshop, the Community Hall, Canyon Creek Fire Dept, Canyon Creek Trinity School and much more. It costs less than \$1.00 a month to help make a difference.
